

Access to Food and Clean Clothes

ARSIS	Thessaloniki	Delivering services and referrals to help vulnerable populations access key social services and public benefits, along with other primary health care and mental health resources
Boroume	Greece	Implementing a transparent voucher system in coordination with Greek municipalities to provide impacted families with food in the middle term of the crisis, implemented from September to December 2020
Faros	Athens	Supporting unaccompanied refugee children experiencing homelessness through a drop-in center and street work to help them meet basic needs like food, hygiene items, and protected accommodation and access psychosocial services, sports activities, and educational programming
FC Barça Foundation	Lesbos	Bolstering social sports programming offering emotional and psychological support for refugee children and young people on the island of Lesbos to include a third more participants
<u>Central Union of Greek Municipalities (KEDE)</u>	Greece	Providing food supplies through Social Food Outlets in municipalities around Greece for the immediate support of people suffering from the socioeconomic effects of the pandemic. The

grant will be implemented with the collaboration and supervision of Deloitte to ensure fast, effective, and transparent distribution of the supplies

<u>Greek Patients Association</u>	Greece	Offering a helpline to support and empower people living with serious and chronic conditions like cancer, diabetes, and compromised immune systems who are particularly vulnerable to COVID-19, holistically assisting and guiding people through nearly a thousand calls a month
<u>Iliatida</u>	Crete	Using the expertise of a staff psychologist and social worker to aid in the organization's core mission of providing free accommodation and psychological support to children traveling to Heraklion for cancer treatment at the University Hospital, as well as to their families
<u>Initiative for the Child</u>	Greece	Maintaining uninterrupted support for the operation of a day center serving hundreds of minors at risk from domestic violence, negligence, and extreme poverty as cases and needs increase under the pandemic
<u>Ithaca Laundry</u>	Greece	Providing mobile laundry services to people experiencing homelessness in Athens while offering on-site work placement and employability skill-building for people from the same population
<u>Médecins Sans Frontières</u> (half of a two-part grant to MSF)	Samos, Lesvos	(half of a two-part grant to MSF): Providing emergency medical and COVID-19 support and essential supplies to refugees on the islands of Samos and Lesvos, including those impacted by the devastating fires in the Moria refugee camp that followed on the heels of a COVID-19 outbreak in the camp
<u>Pnoi Agapis</u>	Athens	Offering dignified accommodation and psychosocial support to low-income cancer

patients from across Greece who need to travel to Athens to receive hospital treatment
